Welcome to the Kick-off Meeting of Pathways2Resilience (P2R), an EU funded flagship programme supporting the EU Mission on Adaptation to Climate Change. This event marks the beginning of our journey towards fostering and developing climate adaptation solutions, accelerating innovative transformations, and achieving climate resilience.

During the kick-off meeting, we aim to:

- Build a strong community among the participating regions.
- Provide a common understanding and a comprehensive introduction to the P2R programme.
- Discuss the goals, structure, and expected outcomes of the Regional Resilience Journey and the Adaptation Investment Cycle.
- Share insights on formulating adaptation pathways, innovation agendas, and investment plans.
- Foster collaboration, exchange ideas and establish a common understanding of the P2R terminology to ensure effective communication throughout the programme.

We are honoured to embark on this transformative journey with you and look forward to productive discussions and meaningful interactions. Together, we will build a resilient and adaptive future for all our regions, harnessing the power of collaboration, innovation, and shared learning.
